

100W GaN USB Type C Fast Charger for MacBook, Tablets, and Phones

Description

Charge Your Devices Faster and Smarter

Experience the future of charging with the 100W GaN USB Type C Charger, designed for today's tech-savvy users. This compact powerhouse is perfect for charging your MacBook Air, tablets, and smartphones quickly and efficiently. Whether you're at home, in the office, or on the go, this universal charger keeps your devices powered up and ready to use, thanks to its innovative GaN technology that optimizes energy transfer.

Impressive Features for All Your Charging Needs

This 3-port charger features one USB-A port and two Type C ports, allowing you to charge multiple devices simultaneously without compromising speed. With a maximum output of 105W, it provides rapid charging for various devices, including iPhones, Samsung Galaxy phones, and more. Its compatibility with multiple fast charging protocols ensures that you can efficiently charge a wide range of gadgets, making it a versatile addition to your tech collection.

Why You Need This GaN USB Type C Charger

The 100W GaN USB Type C Charger is not just powerful; it's packed with benefits that enhance your charging experience:

- **Fast Charging Capability:** Enjoy up to 100W of charging power, which means you can fully charge your MacBook Pro in about 30 minutes.
- **Multiple Device Support:** Charge up to three devices at once, including smartphones, tablets, and laptops.
- **Compact and Portable:** Its lightweight design makes it perfect for travel, fitting easily into your bag.
- **Comprehensive Safety Features:** Built-in protections for over-voltage, over-current, and short

circuits keep your devices safe while charging.

- **Universal Compatibility:** Works with a variety of brands and devices, including iPhone, Xiaomi, and Samsung.
- **Fast Charge Protocols:** Supports USB PD, QC 3.0, and more for rapid charging of compatible devices.

Stay Powered Wherever You Go

This charger is ideal for anyone who needs reliable power on the go, whether you're a student, a professional, or a traveler. Its advanced GaN technology ensures maximum efficiency, allowing you to charge multiple devices without any hassle. Plus, its sleek design and compatibility with international plug types (US, UK, EU) make it a perfect travel companion.

Don't settle for slow charging! Upgrade to the 100W GaN USB Type C Charger today and enjoy the convenience of fast, efficient charging for all your devices. Add it to your collection now and keep your tech powered up and ready for action!
