

11CH Remote Control Excavator

Description

Unleash Your Inner Engineer

Dive into the world of construction and engineering with the 11CH Remote Control Excavator. This 1:20 scale RC truck brings the excitement of a real construction site to your fingertips. Perfect for both kids and adults, this remote control toy is designed to provide endless hours of entertainment, education, and fun.

High-Performance

Constructed from high-quality ABS, metal, and rubber materials, the 11CH RC Excavator is built to last. Its robust design ensures that it can withstand the rigors of active play, while the detailed craftsmanship offers a realistic experience. The included 3.7V 1200mAh rechargeable battery provides up to 40 minutes of continuous operation, making it perfect for extended play sessions.

This remote control excavator is equipped with 11 channels, allowing for precise and realistic movements. Dig, lift, and transport materials just like a real excavator. The 2.4G remote control technology ensures a control distance of up to 30 meters, giving you the freedom to operate your excavator from a distance. The excavator's scale accuracy and realistic design make it an excellent addition to any RC vehicle collection.

Perfect for All Ages

Whether you're a hobbyist or a young enthusiast, the 11CH RC Excavator is suitable for anyone aged 6 and up. It's an excellent educational tool that promotes fine motor skills, hand-eye coordination, and problem-solving abilities. The excavator's intuitive controls make it easy for beginners to learn, while its advanced features will keep experienced users engaged.

Benefits for You

- Enhances coordination and fine motor skills
- Provides a realistic construction experience
- Offers up to 40 minutes of continuous play
- Durable construction with high-quality materials
- 2.4G technology for a reliable control distance of 30 meters
