

12V Car Refrigerator 32QT (30L) Portable Electric Cooler with Compressor

Description

Stay Cool and Fresh On-the-Go with the 12V Car Refrigerator

Whether you're embarking on a road trip, camping under the stars, or need a reliable cooler for your boat, the 12V Car Refrigerator with a 32QT (30L) capacity is the ultimate travel companion. This portable electric cooler is designed for efficiency and convenience, with advanced cooling technology and a powerful compressor that can maintain temperatures between -4°F and 68°F. Keep your food and beverages perfectly chilled, no matter where your adventure takes you.

Features That Make It Stand Out

Equipped with an energy-saving ECO mode and rapid cooling MAX mode, this versatile cooler offers flexibility and control. The compact design, combined with a hidden handle, ensures it fits comfortably in your vehicle or at your campsite without taking up unnecessary space. The low-noise design (only 45dB) makes it perfect for peaceful environments, ensuring you enjoy your journey without distractions. The dual power options—12/24V DC and 110-240V AC—mean you can power it both on the road and at home, giving you freedom and convenience like never before.

Why Choose the 12V Car Refrigerator?

- **Portable & Compact:** 32QT capacity for family trips, truck drivers, or boaters, easily moved with its hidden handle.
- **Dual Power Options:** Power through your car's DC outlet or any standard AC outlet for ultimate versatility.
- **Powerful Cooling:** Set the temperature between -4°F to 68°F to keep everything from

beverages to seafood perfectly fresh.

- **Low Noise Design:** Only 45dB of sound, keeping your environment calm and quiet during operation.
- **Energy-Efficient:** Save power with ECO mode or enjoy rapid cooling with MAX mode.
- **Battery Protection:** The 3-level battery protection ensures your vehicle’s battery remains protected, preventing drainage.
- **User-Friendly Control:** An LCD display lets you easily monitor and adjust the temperature to suit your needs.

Perfect for Every Adventure

Whether you’re heading out on a long camping trip, taking a weekend boating getaway, or spending the day at a tailgate party, this 12V Car Refrigerator is a must-have. With its compact design, whisper-quiet operation, and efficient cooling, you’ll always have fresh food and cold drinks ready when you need them. Forget about messy ice packs and limited cooler space—keep everything organized and at the perfect temperature effortlessly.
