

20" Round Ceiling Fan with LED Light and Remote

Description

Upgrade Your Space with Style and Functionality

Introducing our Modern Ceiling Fan with Light, the perfect blend of form and function for a stylish home upgrade. This 20" Round Ceiling Fan is not just a cooling solution; it's a statement piece designed to illuminate and elevate your living spaces.

Illuminate and Cool Any Room

This versatile Ceiling Fan is crafted for ceilings ranging from 7.5 to 11.5 feet, making it an ideal addition to bedrooms, children's rooms, kitchens, dining rooms, and more. Its easy hard-wire installation ensures a hassle-free setup, providing the perfect lighting solution for any room.

Three-Speed Wind Control

Experience the perfect breeze with the enclosed fan's three-speed settings, catering to your daily comfort needs. The durable ABS fan blades are not only lightweight but also easy to clean, ensuring a lasting and low-maintenance solution for your home.

Convenient Remote Control and Timer Function

Take control from anywhere in the house with the included remote, offering a maximum distance of 20 meters. The smart timing function lets you set the fan and light to automatically power off, ensuring a peaceful night's sleep without any disturbance.

Whisper-Quiet Motor for Tranquil Environments

The fan’s Whisper Wind motor operates silently, creating a quiet and comfortable ambiance in both indoor and outdoor settings. Say goodbye to noise interference and hello to a serene environment.

Easy Installation and Versatile Application

With a surface-mounted design, installation is a breeze. The package includes English manuals, a remote control, and detailed instructions for a seamless setup. This chandelier-style fan is perfect for various spaces, including living rooms, dining rooms, bedrooms, offices, and commercial areas like restaurants and coffee shops.

Stylish Retro Metal Design

Crafted with retro metal, this ceiling fan adds a touch of sophistication to your space. The 20" round fixture has dimensions perfect for any room, with a height of 7.87" to complement your interior decor.
