

2M Baby Safety Table Edge & Corner Protection Strip

Description

Keep Your Little Ones Safe with Our 2M Baby Safety Table Edge & Corner Protection Strip

Creating a safe environment for your children is a top priority for any parent. Our 2M Baby Safety Table Edge & Corner Protection Strip is designed to provide an extra layer of protection, ensuring your little ones are safe from the sharp edges and corners around your home. This flexible, durable, and practical foam bumper strip is perfect for safeguarding your child against potential injuries.

Basic Features

Our safety strip is made from soft, environmentally friendly NBR material that is fireproof and non-toxic, ensuring maximum safety and peace of mind. It is lightweight yet durable, making it easy to install and replace as needed. The strip measures a total length of 2 meters, with a width of 8cm and a thickness of 10cm, providing ample coverage for various furniture sizes and shapes.

When to Use

The Baby Safety Table Edge & Corner Protection Strip is ideal for use in homes with young children, particularly those aged 0-6 years. It is perfect for protecting your child from the sharp edges of tables, countertops, and other furniture items. Whether you're baby-proofing your home for a newborn or safeguarding an active toddler, this protection strip is an essential addition to your safety measures.

What Makes Our Product Special

What sets our Baby Safety Protection Strip apart is its combination of flexibility, non-slip design, and ease of cleaning. The strip can be easily cut to the desired length to fit different pieces of furniture, and its adhesive backing ensures a secure fit. Additionally, the strip is available in 16 colors, allowing you to match it with your home decor seamlessly. The environmentally friendly and non-toxic NBR material guarantees that it is safe for your child, while its fireproof properties provide added security.

Product Benefits

- Provides comprehensive protection for your child from sharp edges and corners
- Made from soft, non-toxic, and fireproof NBR material
- Flexible and non-slip, ensuring a secure fit on various surfaces
- Easy to clean and replace, maintaining hygiene and safety
- Available in 16 colors to match your home decor
- Total length of 2 meters, suitable for different furniture sizes
- Includes free double-sided adhesive tape for easy installation

Easy Installation

Installing the Baby Safety Protection Strip is a breeze. Simply ensure the area is dry, measure and cut the strip to the required length, apply the double-sided adhesive tape to the inner side of the protector, and press it firmly onto the furniture. Cleaning up is just as easy; a bit of toothpaste on a cloth is all you need to remove any residue.

Call to Action

Protect your child from potential hazards with our 2M Baby Safety Table Edge & Corner Protection Strip. Order now and create a safer home environment for your little ones. Don't wait—ensure their safety today!
