

## 3-in-1 Electric Pet Steam Brush for Dogs & Cats

### Description

## Effortless Grooming, Hair Removal, and Massage – All in One

Say goodbye to stubborn tangles, flying fur, and dry, static-ridden coats with the 3-in-1 Electric Pet Steam Brush. Designed for both cats and dogs, this multifunctional grooming tool takes your pet's grooming routine to a new level. It combines a soothing massage, efficient hair removal, and a unique water spray feature that makes grooming more comfortable and enjoyable for your pet. Whether your furry friend has long or short hair, this steam brush ensures they stay clean, healthy, and looking their best without hassle.

## Unique Water Spray Design for Tangle-Free Grooming

The integrated spray design is what sets this brush apart. With a simple click, you can lightly mist your pet's fur with water or a nourishing essence, making it easier to remove loose hair and detangle knots. The mist also helps reduce static electricity, leaving your pet's coat smooth and shiny after each grooming session. Perfect for use after baths or as a daily grooming tool, this brush ensures your pet feels fresh and looks fabulous.
