

32"-58" Full Motion TV Wall Mount with Articulating Arms and Tilt

Description

Enhance Your Viewing Experience with a Full Motion TV Wall Mount

Upgrade your home entertainment system with this versatile and durable 32"-58" Full Motion TV Wall Mount. Designed for plasma, LED, and LCD TVs, this mount provides a seamless viewing experience from every angle. The mount's robust articulating arms allow you to tilt, swivel, and adjust your TV effortlessly, ensuring the perfect viewing position every time. Whether you're watching a movie or playing games, this wall mount enhances your comfort and brings your screen to life.

This wall mount is crafted from high-quality cold-rolled steel, ensuring stability and security for TVs up to 58 inches and a weight of up to 66.83 lbs (28.5 kg). With an adjustable tilt range of -5° to $+8^{\circ}$ and a full 90° swivel, you can customize the angle to reduce glare and enhance your comfort. The sleek, low-profile design keeps your TV close to the wall when not in use, but it can extend up to 20.5 inches (520 mm) for maximum flexibility.
