

35W Fast Charger with USB-C to Lightning Cable

Description

Fast Charging, Ultimate Convenience

Say goodbye to long charging times with the powerful 35W Fast Charger, designed specifically to get your iPhone back to full charge in record time. Whether you're at home, in the office, or on the go, this charger ensures a quick, reliable power boost for your iPhone models, from the latest iPhone 15 series to earlier versions like the iPhone 11. Its included 3.3 ft (1m) USB-C to Lightning cable delivers not only fast charging but also secure data transfer, making this charger your ultimate tech accessory.

Product Features

- **35W Power Delivery:** Enjoy fast charging with 35 watts of power to keep your device powered up in no time.
- **USB-C to Lightning Cable:** The included 3.3 ft cable ensures secure and efficient charging, with additional data transfer capabilities.
- **Universal Compatibility:** Perfect for iPhone 15, 14, 13, 12, 11 Pro Max, Plus models, and more.
- **6A Maximum Current:** Supports high-speed charging to minimize downtime.
- **Certified Safety:** CE-certified, ensuring you charge your devices safely and efficiently every time.
- **Compact Design:** Lightweight and portable for easy carrying and travel.

Why Choose This Charger?

This 35W fast charger offers a blend of power, speed, and convenience that sets it apart. You get the latest in Power Delivery (PD) technology, ensuring your device charges up to 50% in just 30 minutes, ideal for those busy days when you need a quick boost. The 6A current provides reliable, high-speed charging, perfect for your iPhone models that support fast charging. Plus, the 3.3 ft USB-C to Lightning cable guarantees efficient charging and easy data transfer. The charger is compact enough to fit in your bag or pocket, making it perfect for both daily use and travel.

Benefits You'll Love

- **Rapid Charging:** Charge your iPhone faster than ever, getting more power in less time.
- **Reliable Power:** Always stay connected with stable and efficient charging performance.
- **Portable & Compact:** Lightweight design perfect for on-the-go use.
- **Safe & Certified:** CE certification guarantees safe usage without risking your devices.
- **Versatile Cable:** The USB-C to Lightning cable is ideal for both charging and data syncing.

Stay Powered Up Anytime, Anywhere

This 35W Fast Charger is perfect for those moments when time is of the essence. Whether you're rushing out the door or need a quick power boost at your desk, this charger ensures your iPhone gets back to full charge fast. It's not just about speed; it's about staying connected when you need it most. Add this essential accessory to your tech collection today and never worry about running out of battery again!

Take Control of Your Charging Experience

Don't wait—equip your iPhone with the charging power it deserves. Order the 35W Fast Charger with USB-C to Lightning cable now, and experience the convenience of fast charging wherever you go!
