

## 360° Rotation Gravity Car Phone Holder for All Smartphones

### Description

## Secure Your Phone with Ease – 360° Rotation Gravity Car Phone Holder

Keep your phone secure and within reach while driving with the 360° Rotation Gravity Car Phone Holder. Designed for ultimate convenience, this phone holder features a gravity auto-lock system that ensures your device stays put, no matter how bumpy the ride. Its wide compatibility supports phones ranging from 4.7 to 7.2 inches, making it perfect for a variety of smartphones, including iPhone 15, 14, 13 Pro Max, Xiaomi, and Samsung models. The innovative 360° swing arm allows you to adjust the viewing angle to your preference, ensuring you can always see your screen clearly without compromising safety.

### Product Features

- Gravity Expansion: The auto-locking mechanism grips your phone securely as soon as you place it in the holder.
- Anti-Fall Clip: Robust clips keep your phone steady and prevent it from falling, even on rough roads.
- Never Blocking Vent: Smart design ensures your car's air vents are not obstructed, maintaining optimal airflow.
- Wide Compatibility: Fits all smartphones from 4.7 to 7.2 inches.
- 360° Rotation: Fully adjustable arm lets you find the perfect viewing angle.
- One Hand Operation: Easily place or remove your phone with a single hand.
- Anti-Slip Silicone: Soft silicone pads protect your phone from scratches and enhance grip.
- Reserved Charging Space: Allows you to charge your phone without removing it from the holder.
- Compact & Collapsible: Foldable design makes it easy to store when not in use.
