The wood grain finish adds a touch of natural beauty to any room, while the 7-color LED light feature sets the perfect mood for relaxation and rejuvenation.

Experience the ultimate in convenience and functionality with this ultrasonic air humidifier. Designed for modern living, it offers a host of features that make it a must-have addition to your home.

### Key Features

- **550ml Capacity:** Ideal for rooms ranging from 120 to 215 square feet, ensuring continuous mist for hours.
- **Ultrasonic Technology:** Operates quietly at less than 36db, making it perfect for use in bedrooms, offices, and other quiet spaces.
- **7-Color LED Light:** Choose from a spectrum of colors to create the perfect ambiance or let it cycle through all the colors for a calming light show.
- **Remote Control:** Easily adjust settings from across the room with the included remote control.
- **Automatic Shut-Off:** Built-in water-shortage protection ensures the diffuser turns off automatically when the water level is low.
- **Adjustable Mist Levels:** Customize the intensity of the mist to suit your needs and preferences.
- **Timer Function:** Set the diffuser to run for 1, 3, or 6 hours, or continuously until the water runs out.

## Why You'll Love It

- **Relaxation and Stress Relief:** The gentle mist and soothing LED lights create a tranquil environment, perfect for unwinding after a long day.
- **Improved Air Quality:** Adds moisture to the air, helping to alleviate dry skin, sinus irritation, and other discomforts caused by dry indoor air.
- **Aromatherapy Benefits:** Infuse your space with your favorite essential oils, promoting a sense of well-being and relaxation.
- **Stylish Design:** The wood grain finish and sleek design complement any decor, making it a beautiful addition to any room.
- **Easy to Use:** Simple controls and remote functionality make it easy to operate, even for those new to diffusers.
