

5MP HD PoE Security Camera with Audio & Night Vision

Description

Discover Unmatched Security with Our 5MP HD PoE Security Camera

Secure your premises with the latest in surveillance technology. Our 5MP HD PoE Security Camera offers unparalleled protection for both indoor and outdoor environments. Equipped with cutting-edge features, this camera ensures that every detail is captured with clarity, day and night. Whether you're safeguarding your home, office, or commercial space, this camera provides the peace of mind you need.

Key Features

- 3K IR Network Camera for crystal-clear images
- 2.8mm lens for wide-angle coverage
- Efficient H.265+ compression to save storage space
- Advanced motion detection with human & vehicle recognition
- Up to 100ft night vision with EXIR 2.0 technology
- Built-in microphone for audio recording
- IP67 weatherproof rating, ensuring durability against the elements
- Supports PoE for easy installation

Why Choose Our Security Camera?

Our 5MP HD PoE Security Camera stands out with its superior image quality, provided by a 3K IR network camera and a 2.8mm lens that brings every detail to life. The efficient H.265+ compression

technology and advanced motion detection capabilities ensure that your surveillance system is both effective and efficient. With up to 100ft of night vision, you'll enjoy clear, detailed images even in complete darkness. The built-in microphone adds an additional layer of security by capturing sound, making this camera perfect for a wide range of applications.

When to Use This Camera?

This versatile camera is designed for both indoor and outdoor use, making it ideal for monitoring homes, businesses, and commercial properties. Its durable construction and weatherproof rating ensure reliable performance in any environment. Whether you need to oversee a dark alleyway at night or keep an eye on daytime activities in your store, this camera delivers exceptional quality and performance.

What Makes This Product Special?

What sets this camera apart is its combination of high-definition video, audio recording capabilities, and advanced surveillance features. The inclusion of motion detection 2.0 with human and vehicle detection minimizes false alarms, ensuring that you are alerted to genuine threats. The built-in storage option, supporting up to 256 GB, provides ample space for your recordings. Additionally, the ease of installation with PoE makes it a user-friendly choice for both professionals and DIY enthusiasts.

Secure Your Space Today

Don't wait until it's too late to secure your property. With our 5MP HD PoE Security Camera, you'll have everything you need to monitor your space effectively. Experience peace of mind with superior video and audio surveillance that stands guard 24/7. Order now and take the first step towards a safer tomorrow.
