

60 Qt Laguna Rolling Ice Chest Cooler with Wheels

Description

Overview

Meet your new favorite outdoor accessory: the 60 Qt Laguna Rolling Ice Chest Cooler, designed to make your outdoor gatherings effortless and enjoyable. Whether it's a sunny day at the park, a family picnic, or cheering at a local sports event, this cooler is your reliable partner in keeping refreshments cold and accessible. Its convenient wheeled design and versatile features ensure you're always prepared for fun, no matter where it takes you.

Key Features

- **Effortless Mobility:** Equipped with durable wheels and a locking, telescoping handle for easy transport whether you're pushing or pulling.
- **Convenient Handling:** Molded side handles enable seamless lifting in and out of your vehicle.
- **Accessible Drink Holders:** Two self-draining drink holders are designed to hold both 12-ounce cans and large personal hydration tumblers.
- **Easy Clean-up:** Features a recessed drain plug for simple draining of melted ice.
- **Advanced Cooling Technology:** Cool Riser Technology and NEW THERMECOOL Foam for efficient and eco-friendly cooling.
- **Generous Capacity:** Holds up to 60 quarts / 56 liters / 90 cans, perfect for group events.

When Best Used

The 60 Qt Laguna Ice Chest Cooler is ideal for a variety of outdoor occasions. From family picnics, beach days, camping trips, to sports events and outdoor concerts, it keeps your beverages and snacks chilled for hours. Its robust construction and easy mobility make it a top choice for any outdoor enthusiast looking for convenience and reliability.

What Makes It Special

What sets this cooler apart is its perfect blend of functionality and environmental friendliness. With Cool Riser Technology, your contents stay cooler for longer, ensuring fresh snacks and drinks throughout the day. The NEW THERMECOOL Foam adds an eco-friendly aspect, making it a responsible choice for the environment-conscious user. The combination of large capacity, effortless transport, and efficient cooling makes this cooler a must-have for your outdoor adventures.

Benefits

- Transport with ease thanks to smooth-rolling wheels and a telescopic handle.
- Stay refreshed with accessible and self-draining drink holders.
- Environment-friendly cooling with the latest THERMECOOL Foam.
- Spacious enough to cater to large groups or family outings.
- Quick and easy clean-up with a convenient drain plug.
