

60W Fast Charge USB A/C to Type C, Micro, Lightning Cable

Description

The Ultimate Travel Companion: 60W Fast Charging USB Multifunctional Storage Box

Stay powered up on the go with the ****60W Fast Charge USB A/C to Type C, Micro, Lightning Cable****, a multifunctional travel essential that combines fast charging, data transfer, and smart storage in one compact design. Whether you're traveling for work or leisure, this all-in-one storage box makes it easy to charge your devices, store your SIM cards, and even use your phone hands-free, thanks to its built-in phone holder feature. With support for multiple devices and a range of functions, this cable set is the perfect tech accessory for anyone on the move.

Product Features

- **Fast Charging Power:** With a 60W fast charging capability, this cable can quickly charge laptops, tablets, and mobile devices with maximum efficiency.
- **Multiple Connectors:** Featuring Type C, Micro USB, and Lightning connectors, this cable is compatible with a wide range of devices, including iPhones, Android phones, and other gadgets.
- **Compact Storage Box:** The multifunctional box not only stores your cables but also holds your SIM cards, TF cards, and includes a built-in card reader for extra convenience.
- **Telescopic Cable:** The adjustable cable offers multiple lengths (20cm, 40cm, 70cm, and 100cm), ensuring you have the perfect length for every situation.
- **Phone Holder:** The storage box doubles as a phone holder, providing a hands-free experience when you're watching videos, attending virtual meetings, or reading on your device.
- **Data Transfer:** With a 480Mbps data transmission speed, you can easily sync your devices or transfer files between them.
- **Magnetic Closure:** The storage box features a magnetic suction design, ensuring your cables and accessories stay securely stored.

When to Use

This ****60W Fast Charge Multifunctional Cable**** is ideal for frequent travelers, commuters, and tech enthusiasts who need a versatile, portable solution for staying powered and connected. Whether you're heading to the office, a coffee shop, or boarding a plane, this travel box offers everything you need to charge and sync your devices while keeping your accessories organized.

What Makes It Special?

What sets this multifunctional travel box apart is its incredible versatility. The combination of fast charging, universal compatibility, and built-in storage for SIM cards and accessories makes it an all-in-one solution. The compact design and phone holder functionality make it an essential tool for anyone who values convenience and efficiency.
