

Adjustable Dog Car Seat Belt – Extra Safe & Anti-Shock

## **Description**

#### **Achieve the Perfect Fit**

Easily customize the length of this dog car safety belt with a handy length adjuster, ensuring maximum comfort for your pet.

## **Sturdy Metal Hardware**

The hook for attaching to a harness, the clip for connecting to a car seat buckle, and the length adjuster are all made from sturdy, anti-rust metal, providing reliable pet travel protection.

Dog Seat-Belt/Description 2

# **Adaptable and Versatile Design**

Our adjustable belt offers a universal fit, with a length range of 15 to 30 inches. Additionally, the 360° rotatable hook ensures unrestricted movement for your pet.

#### **Enhanced Safety Features**

Featuring a highly elastic shock-absorbing bungee, this seat belt safeguards your pet during sudden brakes or falls, reducing the risk of suffocation.

### **Easy Installation for Extra Safety**

The Adjustable Dog Car Seat Belt by Owleys ensures extra safety for your pet during car rides. Its easy installation process allows you to quickly secure your pet, providing peace of mind and a stress-free experience.

#### **FAQs**

Is the Adjustable Dog Car Seat Belt from Owleys suitable for all dog breeds?

Yes, the Adjustable Dog Car Seat Belt from Owleys is designed to be adjustable to accommodate various dog breeds and sizes, ensuring their safety and comfort during car rides.

How does the extra safety feature of the black nylon Owleys Dog Car Seat Belt work?

The extra safety feature of the black nylon Owleys Dog Car Seat Belt involves a durable nylon construction with reinforced stitching, providing additional strength and security to keep your dog restrained and safe while traveling in the car.

Can I adjust the length of the seat belt to give my dog more or less freedom of movement?

Absolutely, the Owleys Adjustable Dog Car Seat Belt allows you to easily adjust the length to give your dog a comfortable amount of freedom of movement while ensuring they're still safely restrained. This flexibility is especially useful for preventing distractions while driving.

Is the black nylon material of the seat belt durable and resistant to chewing?

Yes, the black nylon material used in the Owleys Dog Car Seat Belt is chosen for its durability and resistance to chewing. However, while it's designed to withstand normal wear and tear, it's important to monitor your dog's behavior to ensure they don't attempt to chew through it.
