

Adjustable Sun Protection Bucket Hat with Shawl for Outdoor Activities

Description

Discover Ultimate Sun Protection and Comfort

Embrace the great outdoors with confidence and style with our Adjustable Sun Protection Bucket Hat with Shawl. Perfectly designed for women who love to enjoy outdoor activities while staying protected from the sun. Its wide brim and attached shawl offer extensive coverage against harmful UV rays, making it an essential accessory for fishing, hiking, gardening, beach outings, and any sun-drenched adventure.

Key Features for Enhanced Experience

Our bucket hat is crafted from high-quality polyester, ensuring durability and long-lasting wear. The hat's dimensions are thoughtfully designed with a hat height of 11cm, an adjustable circumference of 55-60cm (21.7-23.6 inches), and a brim length of 12cm, complemented by a 22cm shawl for maximum sun protection. Its lightweight construction, weighing about 0.14kg, ensures you can enjoy your day without feeling weighed down.

Designed with You in Mind

- Wide brim and sunscreen shawl increase the sun protection area.
- Comfortable, breathable fabric with a ponytail hole for added convenience.
- 3D cut design with the ability to iron out folds for a pristine look.
- Non-removable shawl that can be stylishly rolled up, and a foldable hat design for easy storage.
- Adjustable chin strap with snap design to customize fit for all-day comfort.

Special Features That Set It Apart

What makes our sun protection bucket hat truly special is its combination of functionality and style. The

integrated shawl cannot be removed, offering a unique solution to increase the sunscreen area without compromising on style. The hat's foldable design makes it perfect for on-the-go adventures, easily fitting into your bag. Plus, the adjustable chin strap ensures a secure and comfortable fit, allowing you to engage in any activity without worry.
