Bring Comfort and Joy to Your Child's Bedroom

Introducing the Adorable Scarecrow Touch Sensor Night Light, the perfect companion for your child's bedroom. This charming LED sleeping lamp not only adds a touch of whimsy to the decor but also provides soothing illumination that helps your little one drift off to sleep. With its cute scarecrow design and user-friendly features, this night light is a must-have for any child's room.

Product Features

The Adorable Scarecrow Night Light is packed with features to make bedtime a delightful experience:

- **Multi-Level Brightness Adjustment:** Customize the lighting to suit different needs with three levels of brightness. Whether it's storytime, playtime, or sleep time, this lamp has you covered.
- **Touch Control:** Easily turn the light on or off and adjust brightness levels with a simple touch on the lamp base. The long press enters an infinitely dimmable mode for perfect lighting.
- **Pat Sleep Mode:** Switch to AUTO gear for a convenient pat sleep mode. Simply pat the lamp to adjust brightness or turn it on/off. The light will automatically turn off after 15 minutes of inactivity.
- **Soft Light:** The gentle LED light is easy on the eyes, creating a comfortable sleeping environment without disturbing your child's rest.
- **USB Rechargeable:** With a built-in 1200mAh battery, this night light is rechargeable via USB, offering convenience and portability. No need to worry about replacing batteries.

Why Choose the Adorable Scarecrow Night Light?

What sets this night light apart is its combination of adorable design and practical features. The soft, non-dazzling light is perfect for nighttime feedings, diaper changes, or simply comforting your child as they fall asleep. Its portability makes it ideal for use in any room or even on the go. Plus, the touch and pat controls make it fun and easy for kids to use.
