Product Features

This pill organizer is packed with features that make it a must-have for anyone managing their health:

- **Easy Retrieval and Filling:** The medication compartments open on the same side and can remain open at a 180° angle for easy filling and access.
- **Extra Large Capacity:** Each compartment measures 7 x 4.3 x 1.9 cm and can hold up to 8 fish oil capsules, providing ample space for all your medications.
- **Durable Design:** Built to last, the labels endure for over 10,000 uses, and the living hinges withstand repeated openings without breaking.
- **Double Protection:** The outer protective case and secure snap-off lids ensure that your pills stay in place, preventing accidental spillage.
