

Automatic Gather Hair Trimmer

Description

The Ultimate Haircut Solution for Home Use

Introducing the Automatic Gather Hair Trimmer, the perfect tool for achieving professional-quality haircuts at home. Designed for both babies and adults, this versatile hair clipper is ideal for creating stylish haircuts with ease. Its advanced features and user-friendly design make it an essential addition to your grooming toolkit.

Quiet and Efficient Performance

This hair trimmer features a soft sound and low noise operation, allowing you to trim your baby's hair even while they are sleeping. The powerful motor ensures smooth and efficient cutting, making haircuts quick and hassle-free. With its turbo fan design, the trimmer gathers shaved hair, preventing itching and ensuring a clean and comfortable experience.

Crafted with high-quality materials, the Automatic Gather Hair Trimmer is built to last. The sharp steel blade and ceramic round R angle cutter head provide a precise and safe trimming experience, protecting the scalp from scratches. The four-size durable positioning combs make it easy to achieve the desired hair length, suitable for all kinds of long hair.

Waterproof and Easy to Clean

This hair trimmer is fully waterproof, making it easy to clean after each use. Simply remove the cutter head and rinse it under water for a thorough clean. The included cleaning brush and sponge ensure that every part of the trimmer stays in top condition, ready for the next use. The USB charging feature offers convenience, allowing you to use the trimmer cordlessly or plugged in.

Complete Haircut Kit

The Automatic Gather Hair Trimmer comes with everything you need for a complete haircut at home. The package includes the hair trimmer, power line, two positioning combs (3/6mm and 9/12mm), cleaning brush, sponge, and cape. With a charging time of 3-4 hours and a usage time of 40 minutes after a full charge, this trimmer is perfect for quick touch-ups or full haircuts.
