

Automatic Tent with Two Doors & Four Windows

Description

Effortless Outdoor Comfort with the Automatic Tent

Discover the ultimate in convenience and comfort with the Automatic Tent featuring two doors and four windows. Designed for camping enthusiasts, this tent combines ease of setup with exceptional durability. Whether you're heading out for a weekend camping trip or a longer adventure, this tent ensures you can enjoy the great outdoors with minimal hassle and maximum comfort.

Product Features

The Automatic Tent is crafted from premium 150D Oxford fabric with a PU3000 waterproof coating and UPF50+ sunscreen protection, ensuring you stay dry and protected from the elements. The tent's dimensions are 94.5 x 94.5 x 66.9 inches, providing ample space for 3-4 users. It features an automatic fiberglass bracket system, allowing for a quick and easy setup. The B3 polyester mesh ensures excellent ventilation, keeping the interior cool and comfortable. Weighing approximately 13.7 lbs with accessories, this tent is both durable and portable, making it perfect for any camping excursion.
