

Baby Float Pool Swimming Ring

Description

Make Swimming Fun and Safe with the Baby Float Pool Swimming Ring

Introducing the Baby Float Pool Swimming Ring, the perfect accessory to help your little one learn to swim safely and confidently. Designed for children aged 2-6 years and weighing up to 25kg, this inflatable swimming ring provides the ideal balance of safety, comfort, and fun. Crafted from environmentally friendly PVC, this float ensures durability and reliability while your child enjoys their time in the water.

Product Features

- **High-Quality Material:** Made from 0.25mm environmental PVC, ensuring durability and a safe swimming experience for your child.
- **Perfect Size:** The swimming ring measures 14*17*12cm and weighs only 80g, making it easy to carry and store.
- **Bright and Fun Design:** Available in vibrant colors, this swimming ring is visually appealing and easy to spot in the water.
- **Age and Weight Appropriate:** Suitable for children aged 2-6 years and up to 25kg, providing the right amount of buoyancy and support.
- **Safe and Secure:** Designed to be used in shallow water under adult supervision, this float is perfect for helping your child learn to swim.

Benefits

- **Encourages Learning:** Helps your child build confidence and develop swimming skills in a safe environment.
- **Portable and Lightweight:** Easy to carry and store, making it ideal for trips to the pool, beach, or

vacation.

- **Durable and Long-Lasting:** Made from high-quality materials that withstand regular use and harsh pool environments.
- **Comfortable Fit:** Provides a secure and comfortable fit, ensuring your child can enjoy their time in the water without discomfort.
- **Peace of Mind for Parents:** Offers a safe way for your child to learn swimming, under your supervision, with no worries about air leaks or punctures.
