

Bariatric Portion Control Plate

Description

Achieve Balanced Meals with Ease

Take control of your nutrition and weight loss journey with this Bariatric Portion Control Plate, designed to help you manage portions and plan balanced meals with ease. Whether you're following a specific diet plan, aiming to lose weight, or simply looking to improve your eating habits, this divided plate is the perfect tool to guide your food choices. With clearly marked compartments, it helps you portion proteins, carbs, and vegetables for a well-rounded meal, ensuring you stay on track with your health goals.

Product Features

Made from high-quality, durable polypropylene (PP), this plate is designed to handle both hot and cold foods with a temperature resistance ranging from -4°F to 248°F (-20°C to 120°C). Its sturdy construction makes it microwave and dishwasher safe, offering convenience for both meal prep and cleanup. The plate's 8.3-inch diameter provides the perfect size for portioning meals without overindulging. Ideal for home use, parties, BBQs, or even weddings, this portion plate is a versatile addition to any kitchen.
