

Capybara Plush Toy Set

Description

Bring Home the Cuteness

Meet the Capybara Plush Toy Set, a delightful addition to any stuffed animal collection. This charming set includes a 13.38" mommy capybara with a surprise – four adorable baby capybaras hidden inside her zipper tummy. Perfect for children and capybara enthusiasts alike, this plush toy set offers endless cuddles and imaginative play.

Perfect for Playtime and Comfort

Crafted from premium soft plush and filled with pp cotton, these stuffed animals are incredibly soft and huggable. The durable materials ensure that these toys can withstand lots of love and playtime. The set is designed to be safe for children of all ages, making it a great gift for babies, toddlers, and older kids.

Whether it's bedtime or playtime, the Capybara Plush Toy Set is a perfect companion. The mommy capybara, measuring 13.38 inches, is the ideal size for hugging, while the baby capybaras fit perfectly in little hands. This versatile toy encourages imaginative play and can also provide comfort and security for your child.

The unique zipper tummy feature adds an element of surprise and fun. Kids will love discovering the four baby capybaras hidden inside, making this toy set both entertaining and interactive. The realistic yet adorable design of the capybaras makes them stand out as a cute and quirky addition to any toy collection.
