

Car Trunk Organizer Black “Hexy” by Owleys

Description

Space-Saving Solution

Designed with convenience in mind, this car organizer can be easily folded flat with its user-friendly Velcro design, ensuring it occupies minimal space when not in use, perfect for tidy and space-efficient storage.

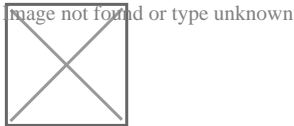

Enjoy a Cleaner and More Stylish Car

Sturdy Construction

Featuring a five-layer design, this organizer is crafted for durability. It boasts exterior walls of high-quality eco-leather and an interior of waterproof 210D Oxford cloth, enhanced with a sturdy PVC insert and an additional Oxford cloth layer. Such a robust build ensures it stands up to years of use.

Customizable Storage

With its two deep compartments, this organizer is ideal for keeping essentials such as emergency kits, tools, clothing, or water bottles. The Velcro divider is removable and allows for easy customization – you can get a spacious compartment for larger items like snow shovels or camping gear when needed.

Portable Design

Our trunk organizer features two robust eco-leather handles on its sides, firmly stitched and reinforced with metal fasteners for durability. These handles make it effortlessly portable, ensuring smooth transportation between your car, home, and garage.

FAQs

How to clean the inside of this organizer?

Wipe it with a damp cloth or soft sponge with detergent to remove stains.

Can I stack these trunk organizers on top of each other?

We don't recommend stacking them on top of each other – the slanted lid means these organizers won't stay stable on top. Standing side by side in the trunk would be the ideal placement method.

Does the organizer slide on leather upholstery?

No, the rubber feet keep the organizer in place while you're driving.
