

Damascus Steel Folding Blade Knife

Description

The Ultimate Survival and Hunting Companion

Introducing the Damascus Steel Folding Blade Knife, a perfect blend of strength, style, and functionality. Designed for hunters, survivalists, and outdoor enthusiasts, this tactical karambit knife is crafted to handle the toughest challenges. Its folding design makes it a convenient and reliable tool to carry on all your adventures.

Featuring a robust 440C steel blade with a gray titanium coating, this knife ensures exceptional durability and sharpness. The blade's hardness of 57HRC provides excellent edge retention, making it a reliable companion for cutting, slicing, and piercing tasks. The handle, made from steel and real olive wood, offers a comfortable and secure grip, adding to the knife's overall appeal and usability.

Product Features

- Blade Material: 440C steel with gray titanium coating for superior durability
- Blade Length: 3.5 inches, perfect for precise cutting tasks
- Handle Material: Steel with real olive wood for a comfortable grip
- Total Length: 8.3 inches, providing a balanced and easy-to-handle design
- Blade Width: 1.1 inches and Thickness: 0.12 inches for robust performance
- Weight: 6.7 oz, lightweight and portable
- Folding Design: Compact and convenient for everyday carry

Why Choose This Folding Blade Knife?

This Damascus Steel Folding Blade Knife is perfect for a variety of outdoor activities, including hunting, camping, and tactical uses. Its sharp and durable 440C steel blade ensures you can tackle any cutting task with ease. The ergonomic handle made from steel and real olive wood provides a comfortable and secure grip, reducing hand fatigue during prolonged use.

What makes this knife special is its blend of traditional craftsmanship and modern materials. The gray titanium coating on the blade adds an extra layer of protection against corrosion and wear, ensuring long-lasting performance. The compact folding design allows you to carry it effortlessly in your pocket, backpack, or survival kit, making it an indispensable tool for any outdoor adventure.

Exceptional Benefits

- Superior sharpness and edge retention with 440C steel blade
- Comfortable and secure grip with steel and olive wood handle
- Compact folding design for easy portability
- Durable and corrosion-resistant with gray titanium coating
- Versatile use for hunting, survival, and tactical applications
