

EasyWring Spin Mop and RinseClean System

Description

Experience a New Level of Clean with the EasyWring Spin Mop and RinseClean Bucket System

Say goodbye to dirty mop water and hello to a continuous, fresh clean with the EasyWring Spin Mop and RinseClean Bucket System. This innovative hands-free system is designed to make mopping effortless and more effective. The dual-tank technology ensures that clean water is always separated from dirty water, so every rinse is with fresh water. Paired with the foot-activated wringing pedal and a microfiber mop head that removes over 99% of bacteria using only water, this system guarantees a deep and hygienic clean every time. Safe for use on all hard floor surfaces, it's perfect for hardwood, tile, laminate, and more.

Innovative Features for a Deep, Hands-Free Clean

The EasyWring Spin Mop and RinseClean Bucket System combines powerful cleaning technology with user-friendly features, making it the go-to solution for tackling dirt, grime, and bacteria on any hard surface.

- **2-Tank System:** The dual-tank design keeps clean water separate from dirty water, ensuring that your floors are always cleaned with fresh, uncontaminated water.
- **Foot-Activated Pedal:** The built-in pedal allows for hands-free wringing, giving you control over the moisture level on your mop without bending over or using your hands.
- **Microfiber Mop Head:** The powerful microfiber mop head is machine washable and removes over 99% of bacteria using only water, providing a deep clean without the need for harsh chemicals.
- **Safe for All Hard Floors:** Designed for versatility, this system is safe to use on hardwood, tile, laminate, linoleum, vinyl, and more, making it the ideal cleaning tool for any home.
- **Optional Cleaning Boost:** For an extra boost of cleaning power, pair the system with hard floor cleaner PACs. Simply drop one into your bucket, let it fizz, and enjoy enhanced cleaning.

performance.

Why You'll Love the EasyWring Spin Mop and RinseClean System

- **Hands-Free Convenience:** The foot-activated pedal allows for effortless wringing, giving you more control and convenience while keeping your hands dry and clean.
- **Hygienic Cleaning:** The 2-tank system ensures every mop stroke is with clean water, providing a more hygienic cleaning experience that leaves floors spotless.
- **Eco-Friendly Cleaning:** Remove over 99% of bacteria with just water, eliminating the need for harsh chemicals and making it safe for both your home and the environment.
- **Easy to Maintain:** The machine-washable microfiber mop head is reusable and durable, saving you money and reducing waste.
- **All-in-One Solution:** With its ability to clean various surfaces, from hardwood to tile, this mop and bucket system is the only tool you'll need to keep your home shining.
