

Electric Sonic Vibration Tooth Cleaner – Plaque and Tartar Remover

Description

Advanced Sonic Vibration for a Deeper, Brighter Clean

Achieve a professional level of oral hygiene at home with the Electric Sonic Vibration Tooth Cleaner. With its high-frequency vibration technology reaching up to 31,000 vibrations per minute, this dental tool quickly dissolves toothpaste and removes stubborn plaque, tartar, and stains. Whether you're dealing with everyday tooth dirt or more challenging calculus, this tool gets the job done, leaving your teeth looking and feeling brand new. Perfect for anyone looking for a brighter, healthier smile, it's designed to provide deep cleaning while being gentle on your gums.

Key Features

- **High-Frequency Vibration:** 31,000 vibrations per minute effectively break down plaque, tartar, and surface stains.
- **6 Cleaning Modes:** Customize your cleaning experience with six different modes, from gentle to intensive cleaning.
- **Waterproof Design:** IPX6 waterproof rating allows safe use even in the shower, with full body wash support for easy cleaning.
- **Intelligent Timer:** The 10-minute timer prevents overheating and ensures safe, effective cleaning sessions.
- **Long-Lasting Battery:** A 500mAh rechargeable battery offers long-lasting power, reducing the need for frequent charging.
- **Ergonomic and Gentle:** The DuPont imported brush head is designed for comfort, with 3D cutting technology for a precise fit, massaging your gums while thoroughly cleaning every corner of your mouth.

Why Choose the Electric Sonic Vibration Tooth Cleaner?

- **Superior Deep Cleaning:** With advanced sonic vibration and six customizable modes, this tool

removes even the most stubborn plaque and tartar, giving you a dental-clean feeling every time.

- **All-in-One Oral Care:** Not only does it clean your teeth, but it also targets tough stains from smoking, coffee, or food, brightening your smile with each use.
- **Convenient and Portable:** Lightweight and easy to handle at just 2.7 oz (68g), it's perfect for home use or travel.
- **Comfort and Safety:** The smart 10-minute timer prevents overuse, while the ergonomic design ensures a comfortable, non-slip grip for a worry-free cleaning experience.
- **Waterproof for Everyday Use:** Its IPX6 waterproof design means you can confidently use it in the shower or rinse it off easily after each use.
- **Durable and Rechargeable:** The powerful 500mAh lithium battery ensures long-lasting performance, with fast Type-C charging that gets you back to brushing in just 2 hours.

Upgrade Your Oral Care Routine Today

If you're ready to take your oral hygiene to the next level, the Electric Sonic Vibration Tooth Cleaner is the tool you need.
