

Elegant Dual-Handle Floor-Mount Bathtub Faucet with Handheld Shower

Description

Transform Your Bathing Experience

Introducing the pinnacle of bathroom luxury and design – our Dual-Handle Bathroom Floor Mount Bathtub Filler. Crafted for those who appreciate the finer details, this freestanding faucet with an antique brass finish promises to elevate your bathroom’s aesthetic and your daily ritual. The rotating spout and handheld shower head blend convenience with timeless style, ensuring a bathing experience that is as relaxing as it is refined.

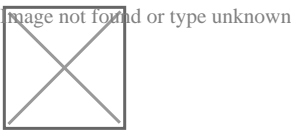

Product Features

Image not found or type unknown

- Contemporary, yet classic design with an elegant antique brass finish
- Dual handles for precise temperature and flow control
- High-quality ceramic valve for long-lasting performance
- Brass faucet body and hand shower for durability
- Swivel spout with a waterfall effect for a touch of sophistication

Benefits of Use

Every aspect of this bathtub faucet set is designed with your comfort in mind. The dual holder dual control system allows for effortless adjustment of water temperature and flow, ensuring a perfect bath every time. The inclusion of a handheld shower head offers versatility, while the swivel spout adds a dash of elegance. Whether you’re looking to start your day refreshed or unwind in the evening, this bathtub faucet is the perfect companion.

When to Use

Our freestanding bathtub faucet is ideal for daily use, providing a touch of luxury to your morning and evening routines. It's also perfect for those special moments when you need to relax and destress in a long, soothing bath. The timeless design ensures it integrates seamlessly with any bathroom décor, making it suitable for all occasions.

Why Choose Our Product

What sets this bathtub filler apart is the combination of its aesthetic appeal and functional excellence. The brushed nickel, antique brass, or black bronze finishes offer a range of options to match your style. CE certification and a default 2-year warranty guarantee the quality and durability of your investment. Plus, with easy floor-standing installation, you can enjoy this touch of bathroom elegance without any hassle.
