

Elite Offshore Spinning Fishing Reel

Description

Unleash Your Fishing Potential

Step up your fishing game with our Elite Offshore Spinning Fishing Reel, designed for both novice and seasoned anglers. Its ambidextrous design caters to all anglers, ensuring a comfortable and effective fishing experience.

Exceptional Durability and Design

Constructed with robust all-aluminum, the reel's body and sideplates promise enduring strength. The black gold color adds a touch of elegance, making it not just a tool, but a statement piece. Our reel features a precision-machined aluminum spool with Line Capacity Rings, ideal for both braided and mono fishing lines. The stainless steel handle material complements the sturdy build, ensuring longevity and reliability.

Advanced Technology for Smooth Performance

Equipped with state-of-the-art CNC Gear Technology, this reel boasts a 43? | 109 cm recovery rate per crank turn, complemented by a 4.2:1 gear ratio. It includes 5 stainless steel ball bearings plus 1 instant anti-reverse bearing, providing a silky-smooth operation. Whether you're battling the toughest saltwater game or enjoying a casual day on the water, this reel won't let you down.

Powerful Drag System

The HT-100 front drag system, with carbon fiber washers, offers a maximum drag of 40lb | 18.1kg. This powerful feature ensures you have the upper hand in every battle, big or small, without exhausting you.
