

## Extra-Large 3-Season Sleeping Bag

### Description

## Discover Spacious Comfort

Designed for the outdoor enthusiast who craves comfort and freedom, our Extra-Large 3-Season Sleeping Bag offers an unparalleled sleeping experience under the stars. Perfect for camping, hiking, and fishing trips, this sleeping bag combines expansive dimensions with premium materials to ensure you stay warm, comfortable, and unrestricted regardless of your sleeping position.

## Product Features

This sleeping bag isn't just large; it's crafted to support all your outdoor needs across three seasons. Made from 300T polyester pongee fabric and lined with 190T sanded pongee, it's soft, breathable, and skin-friendly, ensuring a comfortable night's sleep. The sleeping bag is filled with hollow cotton, striking the perfect balance between warmth and weight, making it ideal for spring, summer, and autumn use. Here's why it stands out:

- Dimensions: 90.5" x 39.4" (230 cm x 100 cm), offering ample room to stretch, turn, and relax.
- Weight: 3.3 lbs (1.5 kg), making it lightweight enough for easy transportation.
- Comfort Temperature: 59° (15°), suitable for cool to mild weather.
- Includes a liner for added comfort and easier cleaning.
- Comes with a durable carrying bag, simplifying storage and transport.
- Available in two colors: Green and Light Brown.

## When to Use the Extra-Large 3-Season Sleeping Bag

Whether you're spending a weekend in the woods, camping by a lake, or attending a music festival, this sleeping bag is your ideal companion. Its versatile design makes it suitable for temperatures down to 59°F, making it perfect for most of the year in various climates. The spacious design is particularly suited for taller individuals or those who prefer extra room to move around in their sleep.

## What Makes This Sleeping Bag Special?

Aside from its generous size, this sleeping bag's special feature is its versatility and ease of maintenance. The included liner not only adds a layer of comfort but also makes cleaning a breeze, ensuring that you can keep your sleeping bag fresh and ready for your next adventure without hassle. The unique fabric combination offers a soft touch and excellent durability, standing up to rugged use while keeping you comfortable and warm.
