

Flapping Bird Cat Toy with Chirping Sounds and Catnip

Description

Bring Playtime to Life with the Flapping Bird Cat Toy

Let your cat's inner hunter soar with this Flapping Bird Cat Toy! Designed to mimic a real bird, this plush toy flaps its wings and chirps when touched, capturing your feline's attention instantly. It's the perfect way to engage your cat's natural instincts to chase, hunt, and pounce, all while offering hours of entertainment. With three motion-activated modes, the flapping bird offers variety and excitement, ensuring your cat never gets bored. Whether you're home or away, this interactive bird toy will keep your kitty entertained and mentally stimulated.

For added fun, the toy comes with catnip, enticing your cat to play even longer. It's also rechargeable, so you can enjoy endless play sessions without the hassle of constantly replacing batteries. This lifelike bird toy is soft, durable, and designed with safety in mind, making it the ultimate gift for your furry friend.

Product Features

- **Paw-Activated Flapping and Chirping:** The bird's wings flap and chirps are triggered by your cat's touch, creating an engaging and lifelike play experience.
