

## Flexible Half Moon Vacuum Head

### Description

## Effortless Pool Cleaning

Maintain a sparkling clean swimming pool with our Half Moon Flexible Pool Vacuum Head Brush Cleaner. Designed to tackle stubborn stains and debris, this versatile cleaning tool is perfect for any pool owner looking to simplify their maintenance routine. With its durable construction and user-friendly design, it ensures your pool remains inviting and pristine all season long.

## Product Features

Crafted from high-quality plastic, this vacuum head brush is both tough and durable, making it an essential addition to your pool cleaning arsenal. The curved, flexible design allows it to effortlessly navigate the contours of your pool, ensuring thorough cleaning. The hard bristles are highly effective against stubborn stains, while the convenient design requires no additional tools for use.
