

Foldable Aluminum Phone Tripod Stand

Description

Capture Every Moment with Stability and Style

Whether you're vlogging, live streaming, or capturing stunning group photos, this foldable aluminum phone tripod stand is the ultimate tool for your creative needs. Its sleek, lightweight design offers superior portability, making it the perfect companion for any adventure—whether at home, in the office, or out in the wild. With up to 1.7m in height and full 360° rotation, you'll always find the perfect angle to shoot your best content. This stand is more than just a tripod; it's your personal assistant for all things photography, video recording, and live streaming.

Versatile and Wide Compatibility

This tripod is designed to fit virtually any smartphone, from 4" to 7.2", making it compatible with popular brands like iPhone, Samsung, Huawei, and more. The universal 1/4" screw mount also allows you to attach a wide range of devices including DSLR cameras, GoPro action cams, camcorders, and webcams. No matter the device, this tripod ensures top-notch stability and versatility.

Why This Tripod Stand is Special

- **Adjustable Height:** Extendable from 72cm to 170cm to accommodate a variety of shooting needs, from close-ups to full-length portraits.
- **360° Flexibility:** The head and neck rotate 360°, allowing you to shoot from any angle for the perfect frame.
- **Bluetooth Remote:** Enjoy the convenience of a wireless Bluetooth remote that works up to 10 meters away, letting you snap photos or start recording with just one click.
- **Lightweight and Portable:** Made from premium aluminum alloy, this tripod is both sturdy and easy to carry. The foldable design makes it easy to pack in the free storage bag and bring along on any trip.

When to Use This Tripod Stand

- **For Selfies and Group Photos:** Capture memories with friends and family using the stable base and Bluetooth remote control.
- **For Vlogging and Content Creation:** Perfect for YouTubers, Instagram influencers, and vloggers, this tripod provides the versatility you need for both indoor and outdoor shoots.
- **For Adventure Photography:** With its durable yet lightweight design, this tripod is ideal for travel and outdoor photography sessions.
