

Folding Blade Knife

Description

The Perfect Companion for Your Outdoor Adventures

Discover the ultimate tool for your outdoor and survival needs with our Folding Blade Knife. This tactical camping knife is designed to handle any task with ease, making it an essential addition to your gear. Whether you're camping, hunting, or in need of a reliable everyday carry (EDC) tool, this knife is built to perform.

Crafted with a 7CR17Mov steel blade, this knife offers superior sharpness and durability. The blade features a gray titanium coating, providing excellent resistance to corrosion and wear. The handle, made from a combination of steel and rosewood, offers a comfortable and secure grip, enhancing your control and precision during use. With a compact folding design, this knife is easy to carry and store, ensuring it's always ready when you need it.

Product Features

- Blade Material: 7CR17Mov steel with gray titanium coating for durability
- Blade Length: 3.5 inches, ideal for a variety of cutting tasks
- Handle Material: Steel and rosewood for a comfortable and secure grip
- Full Length: 8.3 inches for optimal balance and control
- Blade Width: 1.1 inches and Edge Thickness: 0.12 inches for robust performance
- Weight: 7.8 oz, lightweight and easy to carry
- Folding Design: Compact and convenient for everyday carry

Why Choose This Folding Blade Knife?

This folding blade knife is perfect for a wide range of applications, from tactical and combat scenarios to camping and hunting trips. The 7CR17Mov steel blade ensures sharp, precise cuts every time, while the gray titanium coating adds an extra layer of protection against the elements. The rosewood and

steel handle provides a classic, stylish look and a comfortable grip, making it easy to use for extended periods.

One of the standout features of this knife is its folding design, which allows you to carry it effortlessly in your pocket or bag. This makes it an excellent choice for an EDC tool, ensuring you have a reliable knife on hand whenever you need it. Whether you're preparing food at a campsite, carving wood, or needing a dependable self-defense tool, this knife has you covered.

Exceptional Benefits

- Superior sharpness and edge retention with 7CR17Mov steel blade
- Durable gray titanium coating for corrosion resistance
- Comfortable and stylish rosewood and steel handle
- Compact folding design for easy portability
- Versatile use for camping, hunting, and everyday carry
