

Front & Back Seat Car Seat Covers Set

Description

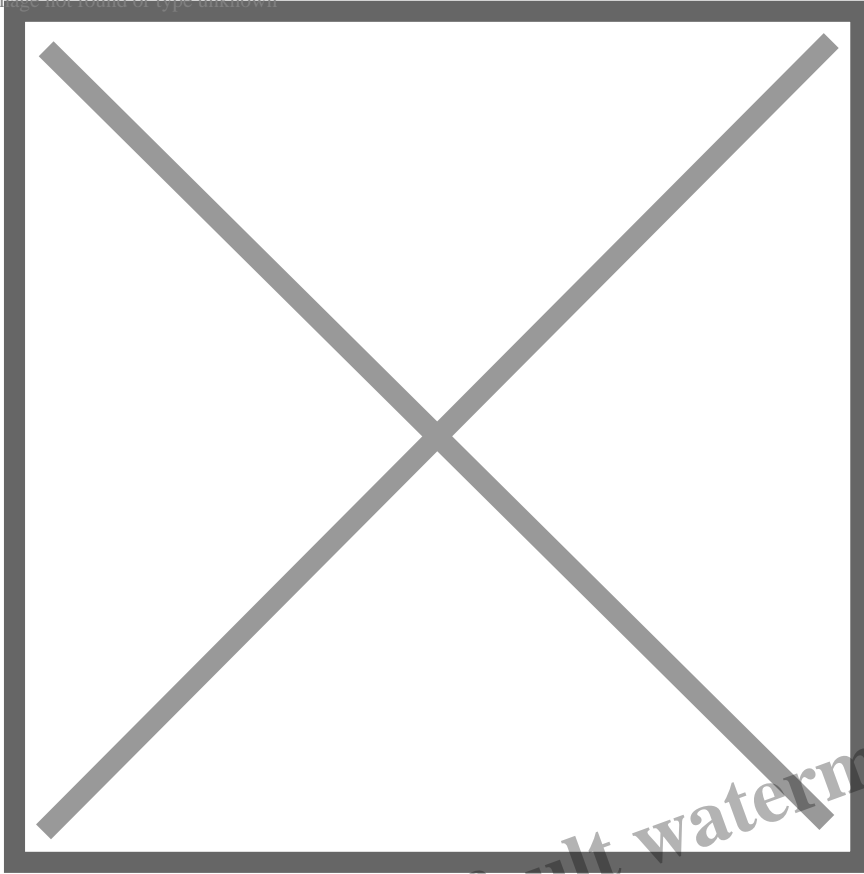

Universal Fit Design

These car covers are designed to fit most seats that match the specified measurements. Be sure to compare them to your vehicle's seat measurements before purchasing. When folded, the set won't take up much space in your garage or closet.

Ultimate Comfort Experience

Slip-Resistant Stability

The bottom side of all covers in this set features special star-shaped rubber dots to prevent slipping. Combined with a firm setup, they stay securely in place on the go.

FAQs

Are these seat covers machine washable?

We do not recommend machine washing for this seat cover set. Please use a damp cloth, sponge, and mild cleaner to gently hand-wash it.

Do the seat covers slide on leather upholstery?

No, due to their anti-slip bottom and secure fastening, these covers don't slip on leather upholstery.

How many parts do I receive with this set?

The set includes 5 parts in total: two front seat covers, two backrest covers and one bench seat cover for the back seat, and one cover for the headrest in the middle.
