

‘Hexy’ Car Seat Back Protector – Premium Eco Leather Kick Mat

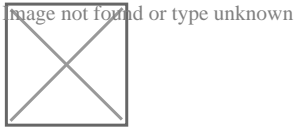

Description

Hexy One Car Kick Mat

This car kick mat is a mast-have accessory for families who travel by car with kids in the back seat.

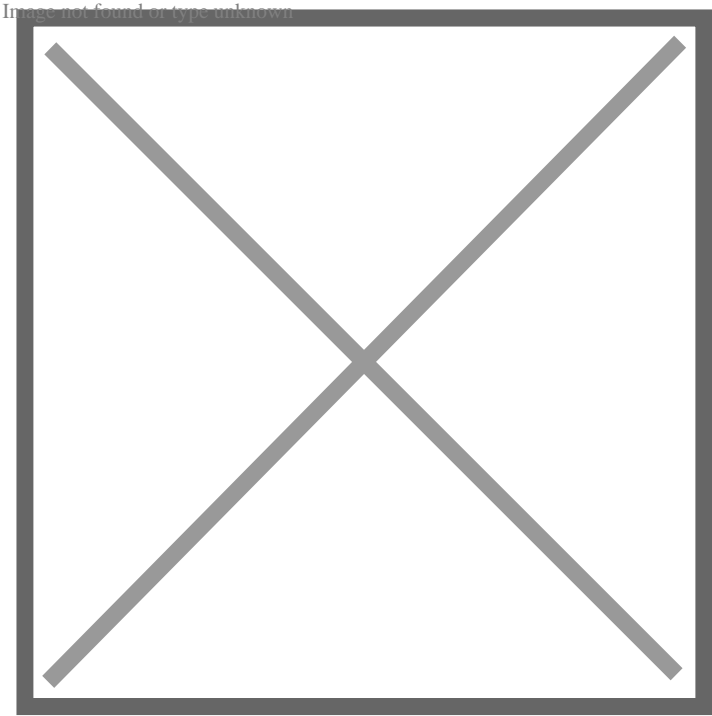

Baby kicks are no longer a problem

Premium materials

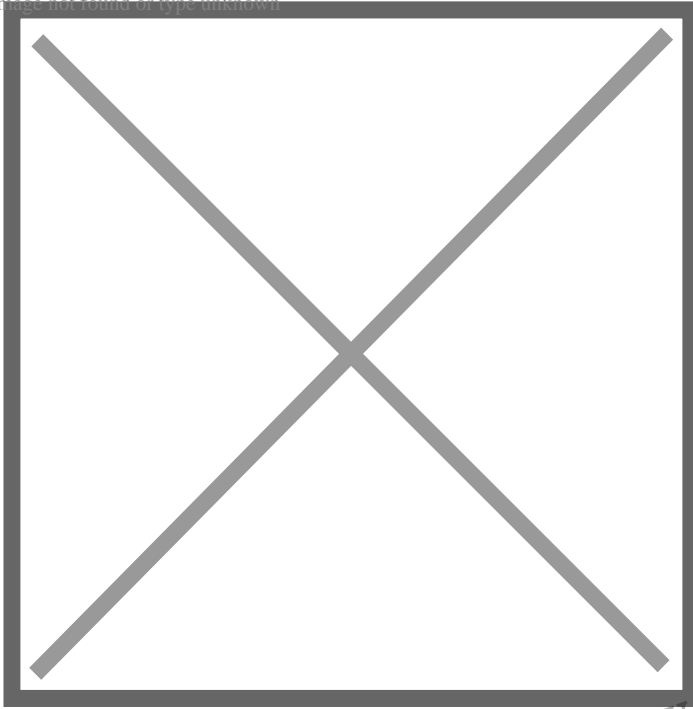

The durable PU leather is not only non-toxic, but also waterproof, and it can be easily cleaned of dirt, dust and liquids with a damp cloth.

Anti-slip bottom

The non-slip rubber coating keeps the mat securely in place, preventing it from slipping and sliding due to sudden brakings and kicks of children's feet.

Strong & quick fastening

Sturdy metal hooks tightly fix the mat to the seat back and are connected with thick textile straps. Installation of this kick mat is very easy and only takes a minute.
Make the stress of family travel a thing of the past
Enjoy every moment with your little ones

No muddy footprints and scuffs

Keep your car clean and protect your upholstery from wear, scratches, dirt, dust, and liquids.

No more annoying kicks

A four-layer structure softens the impact of kids' feet so that they don't distract or disturb the driver.

Save your time and money

To clean dirt and dust from this kick mat, simply wipe it off with a damp cloth or wet wipe.

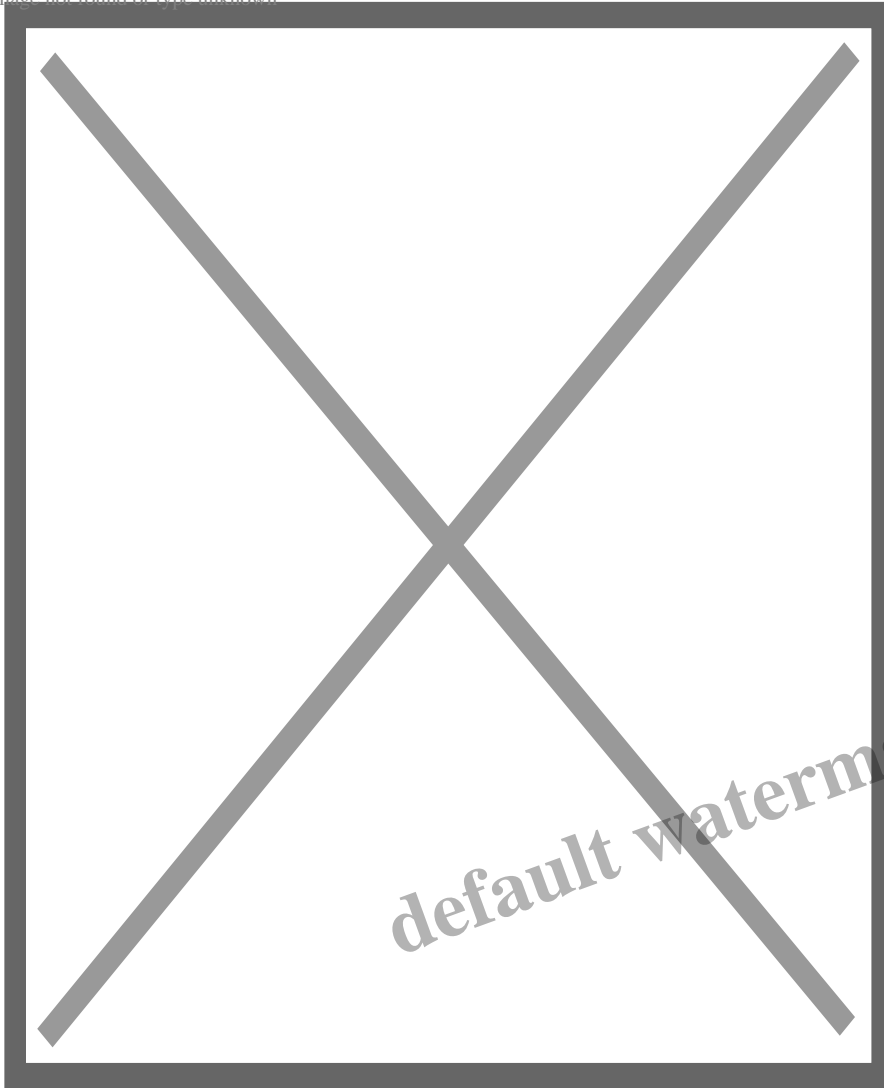

Travel comfortably and easily

Concentrate on the journey with your loved ones while your kick mat manages all cleanliness issues.

Conscious design

Add coziness and comfort to your trips with soft PU leather and a minimalist Owleys design.

One-size-fits-all

This kick mat fits most family minivan, trucks and SUV seats. The attaching straps are easily adjustable for a perfect fit.

FAQs

Is it machine washable?

No, this kick mat is not recommended for washing machines. Use a damp cloth, vacuum cleaner, or your hands to hand-wash it.

Does it slide on leather upholstery?

No, due to its unique anti-slip coating and secure fastenings, this protector doesn't slip even on leather seat upholstery.

Is it waterproof or water-resistant?

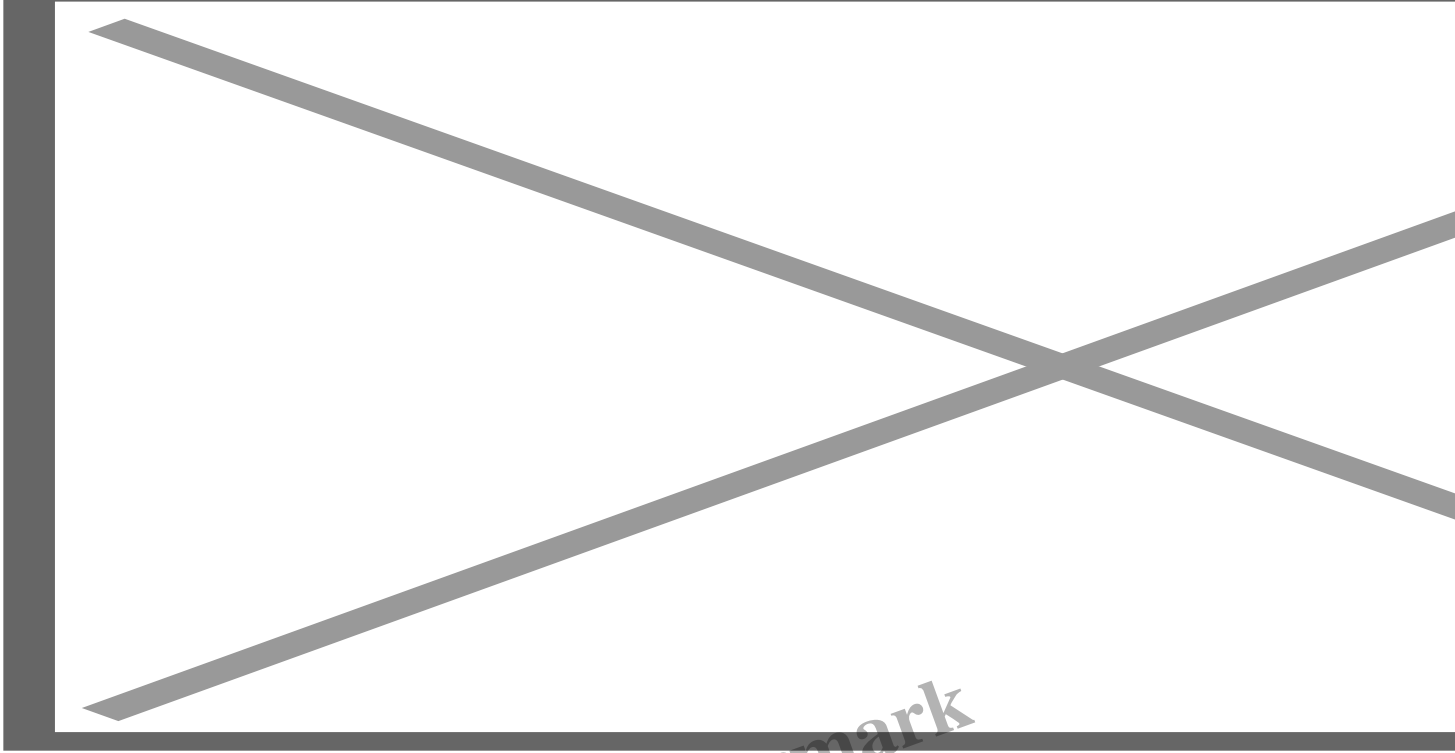

This kick mat is waterproof.

Is it made of genuine leather?

No, we care about animals and therefore do not use genuine leather. All our accessories are made of PU leather.

About Owleys

Owleys is a premium car accessories brand based in California. We create accessories for any kind of car traveling – road trips, camping, picnics, nature trips, and daily rides. Our main goal is to bring comfort, convenience and emotions to every moment you spend in your car. We ourselves enjoy traveling with our family and friends, so we have two main product lines: traveling with kids and traveling with dogs. With these products, we want help you take care of your loved ones when traveling by car and spend a great time on a road together. Creating our accessories, we care for both kids and adults – as well as both pets and their owners. Therefore we never use genuine leather and choose PU leather instead. For our products, we prefer using low-maintenance, eco-friendly and durable materials that will withstand your trips with the most mobile kids and pets.
