

'Hexy' Car Seat Protector Mat – Premium Eco Leather

Description

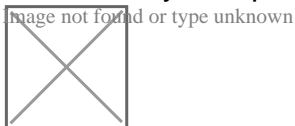

Hexy One Car Seat Protector

This seat protector is perfect for families with kids who want to keep their car clean after family trips, and for drivers who want to extend the life of their car upholstery and protect it from scratches, scuffs and wear by passengers and luggage. Say goodbye to stressful family trips

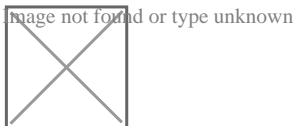

Create a protective barrier

Protect your car seats from baby car seats, heavy luggage, pets and passengers – avoid scuffs, dents and dirt on your upholstery.

Secure fastening

This seat protector attaches securely to the seat with durable metal hooks and installs easily in less than a minute.

Non-slipping bottom

A special anti-slip rubber coating keeps the protector in place on the go for the safety and comfort of your child or pet.

Caring for your car is easier than it seems

Extend the life of your seat upholstery

Soft & comfy support

Two layers of high-density foam padding provides comfortable and elastic travel support for both passengers and luggage.

Easily cleanable

The protector can be effortlessly and quickly cleaned of dirt, dust, liquids and grime with a damp cloth

in the blink of an eye.

Add comfort to your trips

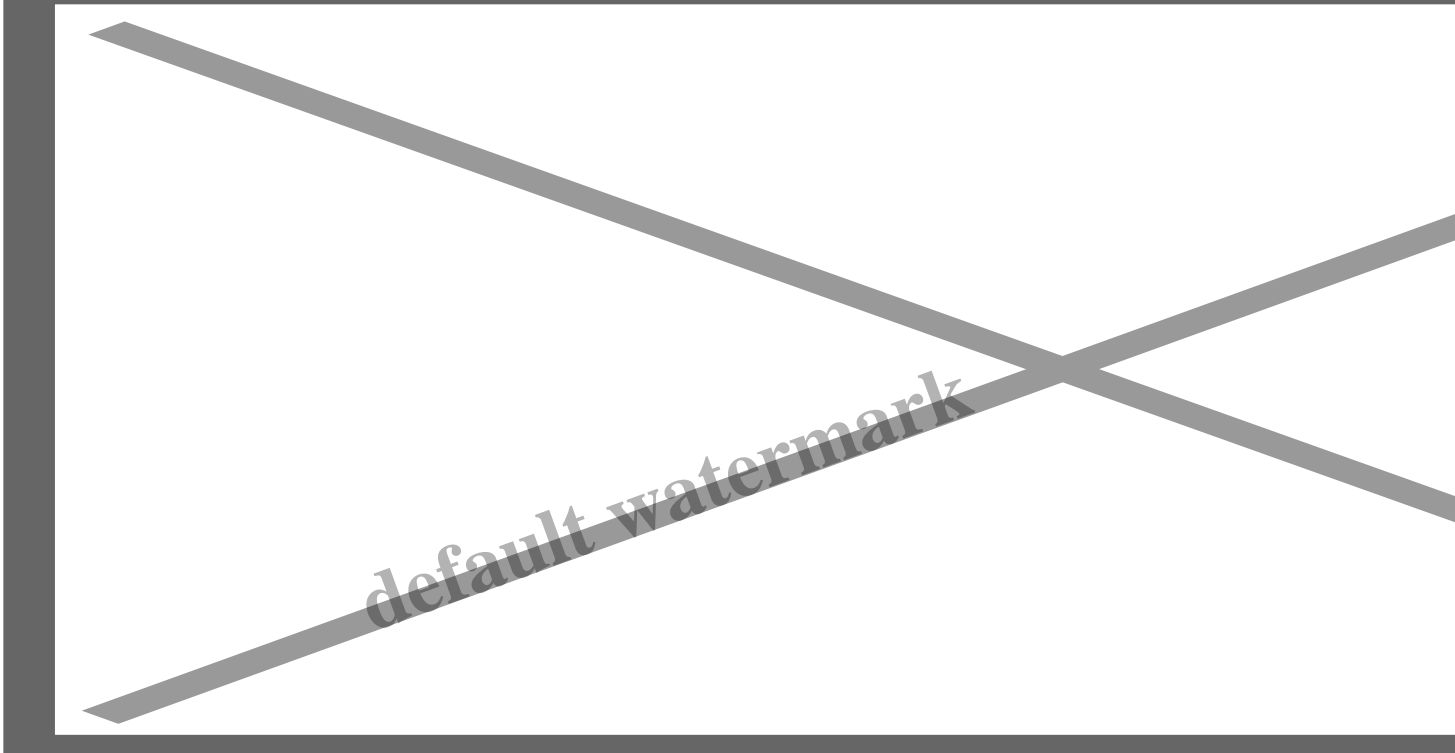

Foam padding, strong fasteners and a non-slip bottom create a soft and comfortable extra layer on your seat that stays firmly in place on the go.

Conscious design

Made from non-toxic soft PU leather, this seat protector is pleasant to the touch and will perfectly blend in with any car interior.

FAQs

How do I clean this seat protector?

You can wipe it with a damp cloth or hand-wash it with warm water and mild soap.

Is it made of genuine leather?

No, we care about animals and therefore do not use genuine leather. All our accessories are made of PU leather.

Are there holes for the safety belt?

Yes, there are two side cuts in the fold of the protector, designed for attaching a child seat and a seat belt.

Does it slide on leather upholstery?

No, due to its unique anti-slip coating and secure fastenings, this protector doesn't slip even on leather seat upholstery.

Is it waterproof or water-resistant?

This seat protector is waterproof.

Is this protector suitable for latch locks?

Yes, this protector can be used with both standard harness buckles and latch buckles.
