Make a Splash with the Perfect Inflatable Baby Swim Ring

Give your little ones a fun and safe swimming experience with the Inflatable Baby Swim Ring Tube with Child Swimming Seat. Designed for maximum comfort and safety, this swim ring is perfect for poolside fun, beach days, and water play. The vibrant colors and adorable design make it a hit among children, while parents can relax knowing their kids are safe and secure.

Product Features

Our inflatable swim ring is crafted from high-quality 0.28mm environmental PVC, ensuring durability and safety. It features double handles for a secure grip, and the high toughness material makes it soft yet resilient. The seamless edge sealing, with nearly one centimeter bonding width, significantly enhances safety, preventing any risk of tearing or air leaks.

- Made from high-quality, eco-friendly PVC material
- Double handle design for better grip and stability
- Seamless edge sealing for enhanced safety
- Crystal nozzle with internal and external double anti-leakage design
- Available in vibrant colors

Perfect for Various Water Activities

Whether you're planning a fun day at the beach, lounging by the pool, or simply enjoying water play at home, this inflatable swim ring is the perfect companion. It's designed to be used in various outdoor entertainment settings, making it one of the children's favorite toys. The swim ring is available in two sizes, suitable for children aged 1 to 9 years old, ensuring the perfect fit for your little swimmer.

- Inner diameter after inflation: 10.5 inches
- Outer diameter after inflation: 22 inches
- Suitable for children aged 5-9 years old, weighing 20-40 lbs

Special Features

What sets this swim ring apart is its crystal nozzle with an internal and external double anti-leakage design. Even if the external air nozzle is accidentally opened, the ring will only leak slowly, providing an added layer of safety. The seamless edge sealing ensures there are no rough edges, making it comfortable for your child's delicate skin. Plus, the eco-friendly material is gentle on the environment, giving you peace of mind.
