

Inflatable Car Style Swimming Seat Ring for Kids

Description

Enjoy the Water with the Inflatable Car Style Swimming Seat Ring

Introduce your child to the joy of swimming with the Inflatable Car Style Swimming Seat Ring. Designed to provide a fun and safe experience for kids aged 1-6 years, this inflatable swim ring combines comfort, durability, and a playful car design that children will love. Made from high-quality, environment-friendly PVC, this swimming seat ring ensures a smooth and safe adventure in the water.

Key Features

The Inflatable Car Style Swimming Seat Ring is packed with features to make your child's swim time enjoyable and secure:

- **Car Style Design:** The vibrant car style adds an element of fun, making it a favorite among kids.
- **Detachable Sunshade:** Protect your child from harmful UV rays with the detachable sunshade, ensuring they can enjoy their time in the water without sunburn.
- **High-Quality Material:** Crafted from 0.28mm environmental PVC, it is soft, durable, and resistant to tears, providing long-lasting use.
- **Safety First:** Smooth inner ring without burrs, seamless edge sealing, and a bonding width of nearly one centimeter enhance safety, preventing skin irritation and ensuring secure use.
- **Double Anti-Leakage Design:** The crystal nozzle with an internal and external double anti-leakage design ensures that even if the external air nozzle is accidentally opened, air will only leak slowly.

Perfect for Fun and Safety

This inflatable swimming seat ring is ideal for introducing young children to the water. Whether in a

pool, lake, or at the beach, it provides a secure and enjoyable experience. The sturdy design supports children weighing up to 66 pounds, making it suitable for ages 1-6 years. The dimensions after inflation are an inner diameter of 9.1 inches and an outer diameter of 27.6 inches, offering ample space for comfortable seating.

Why Choose This Swimming Seat Ring?

What makes the Inflatable Car Style Swimming Seat Ring special is its combination of safety, durability, and fun design. The environment-friendly PVC material is soft and gentle on the skin, while the seamless edge sealing enhances safety. The detachable sunshade is a thoughtful addition, providing extra protection from the sun. Its unique car style design not only attracts kids but also ensures they have a blast while staying safe.
