Inflatable PVC Folding Mesh Lounger

Description

Relax in Style

Experience ultimate relaxation with our Inflatable PVC Folding Mesh Lounger. This luxurious pool accessory is designed for adults who want to unwind by the pool, beach, or lake in comfort and style. Featuring an ergonomic cushion design and a durable nylon mesh, this lounger offers unparalleled comfort and convenience.

Product Features

Made from high-quality PVC, our inflatable lounger is built to last. It has a 150kg load capacity, ensuring it can accommodate most adults with ease. The water hammock design allows you to partially immerse in the water, keeping you cool while you relax. Available in two vibrant colors, green and pink, this lounger is both stylish and functional.
