

Kids Play Teepee Tent

Description

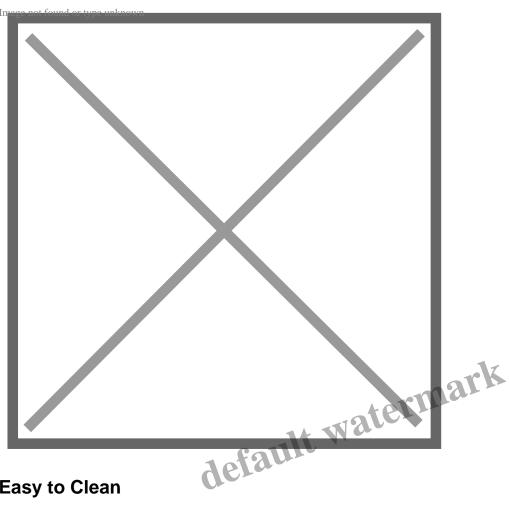

Multifunctional Design

This kids' teepee tent can be used in your children's room, living room, or any convenient corner of your home. Additionally, it can be easily placed in the backyard to create a cozy outdoor shelter for your child in the fresh air.

Perfect Size for Fun

The teepee tent measures 55 x 43.3 x 43.3 inches (140 x 110 x 110 cm), offering ample space for your child's adventures. It's the perfect size to fit comfortably in various areas of your home or outdoor spaces.

Easy to Clean

Our teepee tent is machine washable, making it easy to maintain and keep clean. This ensures your child always has a fresh and hygienic play area.

Quality and Safety Materials

Made from solid pine wood, soft cotton, and recycled ABS, this teepee ensures a safe and comfortable play environment. The combination of these materials makes the tent both durable and eco-friendly.

FAQs

How do I wash the tent and play mat?

You can remove the poles and machine wash the tent and the included play mat. Make sure to use your washing machine's settings for cotton.

Can the entrance be closed?

Yes, you can close the side curtains for more coziness.

What material is the pole connector made of? Is it safe for children too?

The connector is made from recycled and detoxified ABS plastic, also safe for children.
