## Key Features

- **Spacious Design:** Accommodates up to three people with dimensions of 150 x 150 x 170 cm (58 x 58 x 66 in), making it ideal for couples or small groups.
- **Sturdy Construction:** Built with high-quality 201T polyester fabric and robust fiberglass poles for enhanced stability and long-lasting use.
- **Effective Water Resistance:** Features an external waterproof coefficient ranging from 2000mm to 3000mm, ensuring you stay dry during moderate downpours.
- **Easy to Assemble:** The tent requires construction but is designed for straightforward setup, allowing you to get your camp ready in no time.
- **Portable and Lightweight:** Weighing just 5500g, this tent is easy to carry on any trek, enhancing your mobility in the great outdoors.

## Benefits

Whether you are trekking through the woods, setting up a hunting base, or simply enjoying a weekend getaway, our camouflage tent offers several benefits to enhance your outdoor experience:

- **Unmatched Viewing:** Enjoy a near-panoramic view of your surroundings thanks to the wide 270-degree viewing angle, perfect for wildlife watching and scenic enjoyment.
- **Camouflage Design:** Stay concealed with the tent's natural camouflage pattern, ideal for blending into woodland environments during hunting expeditions.
- **All-Season Use:** Constructed to withstand various weather conditions, making it suitable for three-season camping.

Our tent is not just a shelter; it's an integral part of your outdoor gear. It's specifically designed for those who value the blend of stealth, comfort, and mobility. The easy-to-setup feature means less time preparing and more time engaging with the natural environment, whether you're watching birds, stargazing, or just enjoying the quiet of the wilderness.
