Product Features

The lamp's sleek metal body, coupled with a frosted glass shade, creates a diffuse light that is both soft on the eyes and illuminating. The dimension of 60x120cm makes it a perfect fit for a variety of spaces, while the G9 bulb base ensures easy installation and replacement. Despite its grand appearance, this lamp covers a lighting area of 3-5 square meters, providing ample light without overwhelming the space.

When Best to Use

This decorative lamp is not just a mere light fixture; it is a versatile addition to your daily living. Utilize it to make a bold statement in your foyer, set a tranquil mood in your bedroom, or create a focused ambiance in your study. It's not smart-device enabled, meaning it's perfect for those who appreciate the simplicity and reliability of traditional lighting.
