

## Multi-mode Wireless/Wired Ergonomic Mouse with 4000 DPI for Gaming and Office

### Description

### Effortless Control, Seamless Connectivity

Experience the ultimate convenience with the Multi-mode Wireless/Wired Ergonomic Mouse. Whether you're gaming, working from home, or handling office tasks, this versatile mouse delivers seamless performance. Switch between Bluetooth, 2.4G wireless, or wired connections to suit your needs, offering the flexibility to use it across multiple devices. With a sleek ergonomic design, adjustable DPI up to 4000, and built-in rechargeable battery, this mouse ensures comfort and precision for long hours of use. Perfect for gamers, professionals, or anyone seeking a high-performance mouse for both work and play.

### Powerful Features for Precision and Comfort

This mouse comes loaded with features designed to elevate your experience. The built-in 500mAh rechargeable battery ensures you never run out of power, lasting up to 30 days on standby with a quick 3-hour charge. Its ergonomic design provides optimal palm support, while silent clicks allow you to work or game without disturbing others. Plus, the mouse offers five customizable DPI levels ranging from 1000 to 4000, ensuring smooth tracking and precise control, even on high-resolution displays.

### Why Choose This Mouse?

The Multi-mode Wireless/Wired Mouse is perfect for multitaskers, gamers, and professionals alike. With a four-way scrolling system and side buttons that allow easy navigation and quick desktop access, it boosts productivity and efficiency. The 12 customizable RGB lighting effects add a touch of style to your workspace or gaming setup. Whether you're switching between your laptop, desktop, or

tablet, this mouse connects effortlessly to up to three devices simultaneously, allowing you to toggle between them with a simple click.

## Product Benefits

- **Multi-device Connection:** Seamlessly connect to 3 devices at once using Bluetooth, 2.4G wireless, or wired modes.
- **Rechargeable Battery:** Built-in 500mAh battery provides long-lasting power, recharged in just 3 hours via Type-C.
- **Ergonomic and Silent:** Designed for comfort with silent clicks, reducing noise while working or gaming.
- **Adjustable DPI:** Customize your precision with five DPI levels (1000/1600/2400/3200/4000), ideal for gaming and office tasks.
- **RGB Lighting:** 12 different lighting effects to match your style and mood, perfect for gaming setups.
- **Four-way Scroll:** Navigate documents and webpages more efficiently with side buttons and 4-directional scroll wheel.
