

## Pocket Mini Umbrella

### Description

## Stay Stylish and Protected with the Pocket Mini Umbrella

Introducing the Pocket Mini Umbrella, the ultimate accessory for women who value both style and functionality. This portable, five-folding umbrella is designed to be your perfect companion, offering excellent protection from both the sun and rain. With its UPF50+ sunscreen fabric, this umbrella ensures you stay cool and safe from harmful UV rays. Compact and lightweight, it's ideal for travel, daily commutes, and any outdoor activities.

### Product Features

- **Compact Design:** The five-folding mechanism allows the umbrella to fold down to a small, pocket-sized length of about 51cm, making it incredibly easy to carry.
- **High-Quality Materials:** Crafted with a durable glass-fiber frame and aluminum skeleton, this umbrella is built to withstand wind and rain.
- **Protective Fabric:** Made from high-density PG cloth with a quality black coating, the umbrella provides excellent waterproofing and UV protection.
- **Durable Handle:** The quality plastic frost handle ensures a comfortable and secure grip, making the umbrella easy to open and close.
- **Generous Coverage:** With a diameter of 88cm when open, this umbrella offers ample coverage to keep you dry and shaded.

### Benefits of the Pocket Mini Umbrella

- **Portability:** The compact, lightweight design makes it easy to slip into your handbag, backpack, or even a large pocket, ensuring you're always prepared for sudden weather changes.
- **Versatility:** Suitable for both sunny and rainy days, this umbrella is perfect for any season, providing reliable protection wherever you go.
- **Durability:** The combination of glass-fiber ribs and aluminum skeleton offers a strong and flexible

frame, ensuring long-lasting use.

- **Fashionable:** Available in a variety of colors including blue, white, black, and pink, you can choose an umbrella that complements your personal style.
- **Convenience:** The manual control allows for easy and quick operation, making it simple to use whenever needed.
