Key Features

- **Long Battery Life:** Enjoy up to 12 hours of continuous playtime on a single charge, thanks to the robust 14,400mAh battery.
- **True 360° Stereo Sound:** Immerse yourself in full bass stereo sound that maintains clarity, even at maximum volume.
- **Bluetooth 5.2 Connectivity:** Connect effortlessly from up to 100 feet away with a stable and reliable Bluetooth connection.
- **IPX6 Waterproof Rating:** Perfect for outdoor use—whether it's by the pool or at the beach, this speaker can withstand splashes and gentle sprays.
- **Dual Pairing:** Connect two speakers together for an enhanced audio experience, making your gatherings even more festive!

Why Choose Our Portable Bluetooth Speaker?

This speaker isn't just loud; it's engineered for performance. The advanced 67mm full-range driver ensures you hear every note with clarity, while the Bluetooth 5.2 technology minimizes distortion for a crisp sound experience. Whether you're camping, partying, or just chilling at home, the S67 is your perfect companion. Its sturdy design and lightweight make it easy to take anywhere, while the 12-hour playtime guarantees you won't run out of music too soon.

The IPX6 rating allows you to enjoy your favorite tunes without worrying about the weather. Bring it to the beach or by the pool—just remember, it’s splash-resistant, not submersible. This portable speaker is more than just a sound device; it’s a party starter, a camping companion, and an everyday music enhancer.
