

Portable Neck Fan with Rechargeable Cooling for Outdoor Sports

Description

Stay Cool, Wherever You Go

Beat the heat with the Portable Neck Fan with Rechargeable Cooling. This hands-free fan offers a refreshing breeze to keep you cool no matter where your adventures take you. Designed for maximum comfort and portability, it's perfect for outdoor sports, hiking, biking, or simply staying cool during your daily commute.

Key Features

- **Three Speed Settings:** Customize your cooling with three fan speeds to suit any temperature and activity level.
- **3600mAh Rechargeable Battery:** Enjoy up to 8 hours of continuous cooling with a rechargeable battery that's easy to charge via USB.
- **360-Degree Cooling:** Innovative airflow technology provides cooling from all directions, ensuring you stay refreshed even in the hottest weather.
- **Lightweight & Comfortable:** The ergonomic neckband is designed for comfort, so you can wear it for extended periods without strain.
- **Quiet Operation:** The whisper-quiet motor ensures you can focus on your activity without distractions.
- **Low Power Consumption:** Energy-efficient performance at 5W, perfect for extended use.

Why Choose the Portable Neck Fan?

- **On-Demand Cooling:** Instantly refresh yourself with a cooling breeze at the touch of a button, whether you're working out, traveling, or simply relaxing outdoors.

- **Adaptable Design:** Fits snugly around your neck for secure, hands-free cooling without the hassle of bulky fans.
- **Eco-Friendly & Economical:** Rechargeable battery eliminates the need for disposable batteries, making this an environmentally friendly choice.
