

Portable Ultra Air Cooler USB Fan & Humidifier with LED Light

Description

Stay Cool Anywhere with the Portable Ultra Air Cooler

Beat the heat and stay comfortable with the Portable Ultra Air Cooler USB Fan & Humidifier. This compact and powerful device is perfect for keeping your personal space cool and refreshing. Designed with convenience in mind, it features a 500ML water tank, USB power input, and three adjustable speed levels. Whether you're at home, in the office, or on the go, this air cooler ensures you stay cool and comfortable.

Product Features

This Portable Ultra Air Cooler is packed with features that make it an essential gadget for the hot summer days:

- **Size:** Compact dimensions of 14.4×16.1×15.9cm, making it easy to fit on any desk or table.
- **Water Tank Capacity:** A generous 500ML tank allows for extended cooling and humidifying without frequent refills.
- **Power Input:** Convenient USB power input ensures you can use it anywhere with a USB port.
- **Power:** Efficient 10W power usage ensures effective cooling without high energy consumption.
- **Speed Levels:** Three adjustable speeds to customize your cooling experience.
- **Night Light:** Seven soothing colors of LED lights to create a relaxing ambiance.
- **Power Source:** USB-powered for easy and versatile use.

Benefits of the Portable Ultra Air Cooler

- **Portable and Lightweight:** Easy to carry and perfect for personal use wherever you go.
- **Improved Air Quality:** Acts as a humidifier, adding moisture to the air and reducing dryness.
- **Customizable Comfort:** Three-speed settings to adjust the cooling intensity to your preference.
- **Energy Efficient:** Low power consumption makes it an eco-friendly cooling solution.
- **Ambiance Lighting:** Seven LED light colors enhance your space and provide a soothing atmosphere.

Why Choose the Portable Ultra Air Cooler?

The Portable Ultra Air Cooler USB Fan & Humidifier is not just an ordinary fan. Its multifunctional design combines cooling, humidifying, and ambiance lighting in one compact device. Ideal for use during hot summer days, in dry climates, or in spaces that need a little extra moisture. Its quiet operation ensures it won't disturb your work or sleep, making it a versatile addition to any room.

Perfect for Any Space

Whether you're working from home, studying, or just relaxing, the Portable Ultra Air Cooler is your perfect companion. Its compact size makes it easy to move from room to room, ensuring you stay cool and comfortable no matter where you are. The USB power input means you can plug it into your laptop, power bank, or any USB outlet, offering unmatched convenience.
