

Retractable 270° Car Side Awning UV50+ Waterproof Shelter

Description

Enhance Your Outdoor Adventures with the 270° Retractable Car Awning

Transform your vehicle into the ultimate outdoor retreat with our Retractable 270° Car Side Awning. This versatile awning provides expansive protection against sun, wind, and rain, allowing you to enjoy the outdoors in any weather. Whether you're camping, tailgating, or setting up a picnic, this durable and easy-to-install awning creates a shaded, comfortable space beside or behind your vehicle, offering you and your family a cozy outdoor haven.

Designed with UV50+ sun protection, waterproof materials, and windproof construction, this car awning shields you from harmful rays, sudden showers, and gusty winds. Its thickened aluminum alloy support poles, reinforced wind ropes, and fan-shaped bracket ensure sturdy, rust-resistant durability. With adjustable height and width, plus an effortless setup that takes just a few minutes, this awning makes outdoor living a breeze.

Key Features

- **Expansive Coverage:** 270° design with 8.2 ft height offers ample shaded space for 8-10 people, perfect for camping, picnics, or tailgating.
- **Durable Construction:** Thickened aluminum alloy support poles and rust-proof brackets ensure long-lasting stability in all weather conditions.
- **Weatherproof Protection:** Features UV50+ protection, waterproof PU3000mm coating, and windproof ropes for reliable shelter from the elements.
- **Easy to Install:** Quick and straightforward setup within 3-5 minutes, complete with rotating locking mechanisms for width and height adjustments.
- **Compact Storage:** Comes with a waterproof PVC storage bag that fits neatly on your car roof, saving space while on the go.
- **Versatile Use:** Fits a variety of vehicles with roof racks—suitable for SUVs, trucks, vans, and

more.

Why Choose This Awning?

This 270° car awning isn't just about protection—it's about enhancing your outdoor experience. Unlike typical awnings, this model offers full coverage from the side or rear of your vehicle, making it ideal for all outdoor activities, including camping, beach days, picnics, or tailgating events. Its high-quality materials, UV resistance, and heat insulation make it stand out, ensuring comfort no matter the weather.

Benefits

- **Protection from the Elements:** Stay cool in the summer heat, dry in the rain, and safe from harmful UV rays.
- **Roomy Space for Activities:** Offers generous shade for 8-10 people—perfect for family gatherings, picnics, or relaxing after a day of outdoor fun.
- **Quick & Easy Setup:** Spend less time setting up and more time enjoying your adventure with fast, hassle-free installation.
- **Durable & Weatherproof:** Built to last, even in challenging outdoor conditions—no need to worry about rust or instability.
- **Portable & Space-Saving:** Conveniently stores in a compact PVC bag, making it easy to transport and store on your vehicle roof.
