

Retractable Dog Leash with Built-in Light, Water Bowl, and Food Box for Dogs up to 88lbs

Description

Multi-Functional Retractable Dog Leash for Convenient and Safe Walks

Take your dog walking experience to the next level with this innovative retractable dog leash designed for dogs up to 88 lbs. With 5 built-in functions, this leash offers everything you need for a stress-free outing with your furry friend. Featuring a retractable leash, flashlight, poop bag holder, water bowl, and food box, it's perfect for everyday walks, runs, or hikes. This leash not only enhances convenience but also keeps you and your dog safe with its rechargeable LED light, making nighttime walks much safer.

Measuring 13 feet in length, the leash allows your dog to move freely while staying under your control. Its 360° no-tangle design prevents twisting, giving your pet freedom to explore without hassle. Whether you're out for a stroll in the park or embarking on a camping trip, this leash offers everything you need in one compact, easy-to-carry device.

Product Features

- **5-in-1 Multi-use Design:** Combines a retractable leash, flashlight, poop bag holder, water bowl, and food box into one compact unit for ultimate convenience.
- **Rechargeable LED Light:** Comes with 3 lighting modes (low, strong, and flashing) to provide visibility and safety during night walks.
- **4m/13ft Long Retractable Leash:** Durable, wear-resistant nylon rope that allows your dog to explore while you maintain control.
- **360° No Tangle:** The leash's anti-twist design lets your dog walk freely in any direction without tangling the leash.
- **One-Button Brake System:** Easily lock or release the leash length with a simple thumb press for full control during your walks.

- **Built-in Water Bowl and Food Box:** Removable containers for your pet's food and water, perfect for long walks or travel.
- **Durable and Strong:** Made with high-hardness ABS material and a chrome metal clasp, this leash is built to withstand wear and tear.
