Why Choose This Folding Straight Razor?

This straight razor is not just a tool – it's an experience. Whether you're just starting out with traditional wet shaving or have been mastering your technique for years, this razor combines ease of use with professional-grade performance. The sleek black handle offers a secure grip, while the stainless steel body guarantees long-lasting durability. Before each use, simply sharpen the blade holder for an incredibly close shave, leaving your skin smooth and irritation-free.

It's an ideal choice for men who appreciate the art of wet shaving and want to achieve that fresh, clean look with precision. The folding design not only adds convenience but also a sense of tradition, bringing the elegance of vintage shaving to your bathroom. Perfect for shaving both your face and body, this razor makes grooming a sophisticated ritual.
